The Commonwealth of Virginia is committed to providing quality education for all students. This commitment includes keeping parents and the public informed through the Virginia School Report Card of the progress of our schools in raising student achievement and enhancing the learning environment. The ratings for Adequate Yearly Progress (AYP) and school accreditation for specific school year are based on the achievement of students on tests taken during the previous academic year.

AYP ratings are preliminary and subject to change based on corrections to student-level records submitted by school divisions and the receipt of additional data.

### Title I Schools in Improvement - 5 ( 41% )

This School Division -	<b>Did Not Make AYP</b>	Annual Measurable Objective for Mathematics is	<b>71</b>
The State -	<b>Did Not Make AYP</b>	Annual Measurable Objective for Reading/Language Arts is	<b>73</b>

### School Division - Summary

This table provides summary information on enrollment, accountability ratings, and whether the school is required to implement a plan to raise achievement in English or Mathematics. Ratings are based on the achievement results on tests taken during the previous academic year and are subject to change based on corrections and additions to student-level records submitted by school divisions.

## Percentage of Students Passing/Tested/Not Tested

Schools, school divisions, and states are rated according to the progress toward the goals of the No Child Left Behind Act of 2001 (NCLB). This federal law requires states to set annual benchmarks for achievement in reading and mathematics leading to 100 percent proficiency by 2014. Schools, school divisions, and states that meet or exceed all annual benchmarks toward this goal are rated as having made adequate yearly progress (AYP). Schools, school divisions, states must test at least 95 percent of students overall, and 95 percent of students in each of the following subgroups: white, black, Hispanic, students with disabilities, limited English proficient students, and students identified as disadvantaged. Annual accountability ratings are based on achievement during the previous academic year or combined achievement from the three most recent years. **Only student subgroups represented are listed.**

## Other Academic Indicators

NCLB also requires schools, school divisions and states to make progress in an additional area, such as science or attendance for elementary and middle schools, and graduation for high schools. Annual accountability ratings are based on achievement during the previous academic year or combined achievement from the three most recent years. **Only student subgroups represented are listed.**

## Assessment Results at each Proficiency Level by Subgroup

The Virginia Assessment Program includes Standards of Learning (SOL) tests and other statewide assessments in English, history/social science, mathematics, and science. The tables below provide information for the three most recent years on the achievement of students on these tests, including percentages of students who demonstrate proficiency and advanced proficiency. Annual accountability ratings are based on achievement during the previous academic year or combined achievement from the three most recent years. **Only student subgroups represented are listed.**
